Staff Reports:

Zeb reported on the following:

Zeb reported that the Fairview Avenue widening project is almost finished up.

River Street widening project is winding down. They should be asphaltting in the next 4 weeks. The River Street bridge replacement is ongoing. The pre-cast beams should be in place the last of June. Both of these projects should be completed by the beginning of the fall school year.

The Recycle Center has opened and is going full steam. The response has been overwhelming since the reopening. We had the biggest day ever on May 23<sup>rd</sup>.

The traffic signal at River and Fairview is on a 4 way flash. A new controller has been ordered and Ewing Signal will repair the signal light when it arrives.

Tom reported on the following:

Tom, Nate Dally, and Mayor Rife met with the railroad concerning the crossings in town. They are making progress on the repairs to the crossings. David Armstrong brought up a citizen's concerns over the crossing on Chestnut Street. There has been some asphalt placed in the hole for a temporary fix.

Tom met with the TAC committee on May 28<sup>th</sup>, where he received an update from MODOT and the Governor's Bridge Program.

Ray West made a motion to adjourn the meeting at 6:05 p.m. All ayes, motion carried.
